## **Charleston Radiologists, PA Welcome 2 New Physicians to Practice**

**FOR IMMEDIATE RELEASE-** The physicians at Charleston Radiologists, PA are pleased to announce the addition of 2 new radiologists to their practice. Dr. Steven Bright and Dr. Aron Rosenthal are joining the twenty one physician practice in August.

Dr. Bright graduated from the University of Alabama School of Medicine and was Chief Resident of Diagnostic Radiology for Baptist Health Systems in Birmingham. He completed his fellowship in Interventional Radiology and Image Guided Medicine at Emory University School of Medicine.

Dr. Rosenthal graduated from Vanderbilt University School of Medicine and recently completed an MRI fellowship specializing in neurology and body/breast MRI at University of California-San Diego. Dr. Rosenthal recently was awarded the John Amberg Award for clinical excellence.

Charleston Radiologists, PA is a physician subspecialty radiology practice that provides professional services for Imaging Specialists of Charleston. This arrangement allows Charleston Radiologists, PA to continue its thirty-year commitment to imaging excellence by merging the most advanced technology with subspecialty interpretations. They are located at 1241 Woodland Avenue in Mt. Pleasant.
