Charleston Radiologists, PA Welcomes Three New Physicians

Mount Pleasant Charleston Radiologists, PA welcomes Dr. Christopher Moses, Dr. Eric Handley, and Dr. Jeffrey Short to its practice.

Dr. Christopher Moses is a graduate of the Medical University of Ohio. He completed his residency in Diagnostic Radiology in 2007 and a fellowship in Neuroradiology in 2008 at the Medical University of South Carolina. He received his board certification from the American Board of Radiology in 2007.

A graduate of Emory University School of Medicine, Dr. Eric Handley completed his residency in Diagnostic Radiology in 2007 and a fellowship in Musculoskeletal Radiology in 2008 at Brigham and Women's Hospital. He received his board certification from the American Board of Radiology in 2007.

Dr. Jeffrey Short is a graduate of the Medical University of South Carolina. He completed his residency in Diagnostic Radiology at the University of Maryland in 1993, and a fellowship in Interventional Radiology at the Emory University School of Medicine in 1994. He received his board certification from the American Board of Radiology in 1993 and a Certificate of Added Qualification in Interventional Radiology in 1997.

All three physicians maintain active involvement in professional organizations both locally and nationally.

Charleston Radiologists, PA is a 17 physician radiology practice that has served the greater Charleston area for over 30 years. Its highly trained, board certified radiologists are committed to imaging excellence by merging the most advanced technology with subspecialty interpretations.
